Are credit/debit cards accepted?

Yes. We accept credit & debit cards at the gates and concession stand. Most food vendors also accept cards.

Is there non-reserved seating?

Yes. Rows 1-7 in the grandstands and all of the seating in the pits is general admission. Rows 8-15 are reserved seating only.

Is there handicap parking & seating?

Yes. Handicap parking is on the north end of the grandstand parking lot past the buildings and past vendor row; in the pits, handicap parking is on the north end fence line outside of the pit area. Both the main grandstands and pit stands have handicap accessible seating and reserved handicap seats.

Can you bring stadium seats or lawn chairs?

Chairs with legs are not permitted. While stadium seats are allowed, they are not recommended in the grandstands as all seats have seatbacks.

Are coolers allowed?

Coolers are not allowed in the grandstands. No outside food or drink is permitted.

Where do we park? Is there a charge for parking?

Spectators enter through the west gate. Once the west parking lot is full, parking attendants will guide you to overflow parking outside of turns 1 and 2 and to the east side of the facility. There is also non-tow parking available on the east side of the facility for spectators attending the pits. There is no charge to park!

Is camping allowed? Is there a charge for camping?

Yes. We have a dry camping area on the east side (pit side) of the facility located just outside of the pit area on the south end of the facility to the west (left) of the pit gate. There is no charge to camp.
