## Arrowhead Championship series Classes

- Green, white, checkered hot laps.
- Draw for 6 Lap Heats, passing points.
- No B Features, Up to 27 cars in a single Feature.
- 28 cars or more will result in Twin Features.
- Features are one lap per car, 10 lap min. 20 lap max.
- One and done in heats, 2 spin in features.

## Time Limit guidelines

### 15 minute feature time limit (excludes red flag minutes)

- If time expires under caution the next restart will be green, white, checkered and the next flag will end the race.
- If the race is under green when time expires the next time by the leader will get the white flag and the next flag will end the race.
- If a FEATURE race goes green, white, checkered without a caution, all drivers in that feature will get in FREE at the next Arrowhead Speedway event.

**Keep it clean and keep it GREEN.**

All drivers must start or attempt to start (by discretion of an official) their respective LCQ or A-Main in order to be paid.
